

July 2020 Blues Calendar

Starting this month, music venues and restaurants that offer blues music are beginning to reopen to the public. We list these as a part of our mission to provide you this information. But we want to stress that you should continue to follow all guidelines related to the pandemic. That means you should wear a mask in public, practice social distancing, stay home if you feel sick, and wash your hands often for at least 20 seconds. Please help keep yourself and your fellow blues lovers healthy!
