Newsletter of the Louisville Computer Society
Kentuckiana's Macintosh Users Group

July 2005

WE HAVE MOVED!

Pitt Academy has moved to 6010 Preston St. and on June 22 some of the Louisville Computer Society members answered Tom Guenther's call for help in assembling the computer lab.

Meeting at 6010 Preston St

Louisville Computer Society, Inc.
P. O. Box 9021, Louisville KY 40209-9021

Access is a service mark of the Louisville Computer Society, Inc. Our newsletter is published monthly as a service to Macintosh users. We are dedicated to the education and benefit of Louisville and southern Indiana computer-oriented communities.

Subscription rate is \$26 a year; it is mailed free with your membership in LCS, a Macintosh Users Group (MUG).

Trademark names are sometimes used in this publication. Rather than put a trademark symbol in every occurrence of a trademark name, we state that we are using the names only in an editorial fashion, and to the benefit of the trademark owner, with no intention of infringement of the trademark.

For more information write to the above address or call 502-363-3113 between 5 and 9 P.M. only.

Other users groups may reprint articles from Access provided proper credit is given to the Louisville Computer Society, to Access, and to the authors, unless otherwise noted. ©2004

5. Wow!! Great job; and our new meeting room.

Come to our monthly meetings

The Louisville Computer Society meets the 4th Tuesday of each month, 7-9 P.M. (except December) at Pitt Academy, 6010 Preston Hwy. (1 mile south of Gilmore Lane on Preston St.), Louisville KY 40219 (see map below).

Pitt Academy's new location is 0.4 mile north of Fern Valley Rd. or 4 miles north of I-265 on Preston Hwy. The school is directly opposite Town & Country Ford which has a LARGE American flag flying.

If you wonder how to get there, pretend you are leaving the parking lot at the old location where we have been meeting: Go straight across the intersection onto Gilmore Ln. Drive approximately 1 mile to the first traffic light at the other end of Gilmore. Turn left onto Preston St. Go through three traffic lights. (~1 mile) and turn RIGHT opposite the LARGE American Flag flying in front of Town & Country Ford auto dealer.

**Pitt Academy
6010 Preston St.**

If coming from the South, Pitt Academy is 0.4 miles north of Fern Valley Rd. It will be on your left, just after you cross over the drainage ditch.

Plenty of parking space. Enter the building and turn right. The computer lab is about the second door on the left.

Upcoming Programs 7 P. M. at Pitt Academy on Preston St. (see map on page 2)

July 26 Come see Pitt Academy's new computer lab and our new meeting room.

If you have any suggestions or special requests, please contact Bill Rising at braising@louisville.edu.

Special Interest Groups (SIGs)

SVI-SIG is the Still & Video Imaging - Special Interest Group. This SIG is devoted to manipulating pictures, both photos and movies. It meets the second Tuesday of each month, 7 PM at Pitt Academy. The first meeting was held April 12; Second May 10. No meeting in June, **next meeting July 12** at the new location. Meetings are very informal and open to anyone who shares our interests. Any particular focus you want our meeting to cover?
 For more information contact Bill King at bk0413@insightbb.com

**Louisville Computer Society
 Macintosh Users Group
 Membership Application**

Please send your \$26 check for a year's membership, made out to Louisville Computer Society to:

Louisville Computer Society
 P.O. Box 9021
 Louisville, KY 40209-9021.

Thanks! See you at the next meeting.

Fill out the following ; clip on the dotted line (or copy to another piece of paper) and send in with your check .

How did you hear about LCS" _____

New Club Logo
by Brian O'Neal

Several years ago, when I joined the Louisville Computer Society, I never thought that I would become the clubs web master. But around that same time I was playing around with an application called Adobe Page Mill. I wanted to learn to make web pages. I took a look at the current LCS site and it was a bit dated. I asked our President, Tom, if he would mind if I made an updated web page. He said sure, and I went to work.

I had the thought that our group should have its own logo. So

before I started any work I tried to come up with a good idea for a logo. I surfed around to other Mac user group web sites, to see what their pages looked like. Many of them had logo's that melded both the Mac and something that symbolized their area. Well, what is Louisville known for most?

The Kentucky Derby, right? Well for some reason bourbon and tobacco wouldn't leave my head until that AHA! came along. I took some jockey silks and the Mac smiley and put

them both together, and there was our logo. Simple enough right?

I recently revised what it looks like. The first one (below, left) was nice but I thought that it could look better. I am no graphics pro but I worked at it for a while and came up with a smoother, more rounded set of silks (below, right). The one on the web page (with sound too!) is the one that will identify us as a Mac group from Louisville, KY USA. You can see it at our web site <http://kymac.org>

July 26 meeting will be at our new site.
See Page 2 for directions.
